### Product description

The X-Line exterior mirror caps are in the same color as the add-on parts in the X-Line exterior package and thus visually round off the X-Line package of the X1 E84.

### Sales arguments/advantages •

Visual enhancement of the vehicle. • Rounds off the X-Line package in the exterior. • Geometry like exterior mirror cap in body color. • Exterior mirror caps can also be installed on the E84 independently of the X-Line package.

### material

– Painted plastic

### Technical information – The

exterior mirror caps can be installed like a series component.

### scope of delivery

– Exterior mirror cap on the left  
– Exterior mirror cap on the right

Exterior mirror caps X-Line X1 E84
