## 17" Winterkomplettrad Styling 510 - Double spoke for 17" JCW brakes MINI (F55, F56)

#### Product description

JOHN COOPER WORKS 17-inch aluminum wheel in styling 510 in sporty, shiny black. It allows use of snow chains also in combination with the 17 inch JCW braking system.

#### Details

- The wheel is also suitable in connection with the **17" JCW braking system**.
- The use of **snow chains** is possible.
- The wheel can be thanks to the specially designed design clean very **well**.
- The 17" Styling 510 Double Spoke wheel is **available** both as a **single wheel** and as a complete winter wheel.

#### Recommendation

The product package is particularly suitable for:

- **MINI wheel bolt lock:** The wheel bolt has a specially milled code that can only be opened with the special adapter supplied.
- **MINI rim cleaner:** This is in its effect on the MINI wheels and offers an optimal cleaning effect without attacking the paintwork.

#### scope of delivery

- Complete wheel: 1 wheel including JCW hub cap, tire mounted and balanced.
  - Single wheel: 1 wheel without tire, without hub cap.
- See ETK for set list.

#### Technical information

- Raddimension: 5,5x17 H2 IS45
- Tire dimensions: 185/50 R17 86H XL RSC
