

Product information

Original MINI accessories.

Exterior mirror cap and air intake cover carbon.

MINI (F54, F55, F56, F57)

Product description The combination of carbon air inlet cover and carbon exterior mirror caps give the MINI Cooper S additional sportiness.

The carbon is given a visual depth by multiple lacquering combined with a high-gloss polish, which becomes a real eye-catcher.

Details

- The exterior components carbon exterior mirror cap and carbon air inlet cover give the MINI an **individual, sporty and high-quality look**.
- The production is carried out by **elaborate** handwork special quality guaranteed.
- Eye-catcher: These exclusive carbon components get a **distinctive depth effect** thanks to **2 to 3 layers of varnish** and subsequent high-gloss polish .
- The material is made of **high-quality, ultra-light carbon fiber reinforced plastic** (CFRP, carbon).
- **Perfect fit:** The components are optimal for the design and the geometry of the MINI.
- The **look of the MINI** appears even sportier and more individual.
- The high quality of the materials used was tested by **light fastness tests** . The material is **UV, temperature and water resistant**.
- **Easy to install:** The exterior mirror caps are attached to the vehicle exterior mirror by dismantling the existing mirror caps and clipping them into the existing locking lugs.

Functionality

- All components are made of carbon fiber reinforced Plastic (CFRP, carbon) and are sealed with clear varnish.
- The material is UV, temperature and water resistant.
- The components are a perfect fit for the F54/F55/F56/F57 and are easy to assemble, just like the series parts.

Comparison to the competition

The MINI air inlet cover and the exterior mirror caps made of carbon have the optimal fit.

Air intake cover carbon

Carbon exterior mirror cap

Recommendation The carbon air inlet cover and the carbon exterior mirror cap are very suitable for cross selling, as they give the MINI a uniform, high-quality look.

Original MINI accessories. Exterior mirror cap and air intake cover carbon. MINI (F54, F55, F56, F57)
